Study Permits

- You need a study permit to study in Canada for six months or longer
- You need the following documents to apply:
 - Proof of acceptance
 - Valid passport
 - Proof of financial support for at least your first year of studies
 - Letter of explanation
- There are two ways to apply:
 - Online
 - On paper

Study Permits

Information on eligibility, applying and how to prepare for the student's arrival in Canada can be found on the Government of Canada's Immigration, Refugees and Citizenship website:

www.canada.ca

(under Immigration and citizenship – study)

Working While Studying

- Field experience
- Practicum
- Co-op
- Internship
- Applied Research Projects

- For more information on work permit programs and eligibility criteria, visit www.canada.ca

SUCCEED IN CANADA

Funding their studies

- Personal or family funds
- University funding
 - Assistantships
 - Jobs on campus
- External funding source
 - Jobs off campus
 - Paid co-operative placements
- Scholarships or bursaries

Scholarships

A number of scholarships and bursaries are available to international scholars and researchers.

The Government of Canada manages many scholarships programs that support study, research or professional development in Canada.

International students should look at the institution they are applying to for more information on scholarship opportunities

Scholarships: where to look

Scholarships in Canada:

www.Educanada.ca

Ask the Canadian institution you are applying to

Embassy of Canada list of scholarship sources for Greek citizens

Summarizing: HOW TO BEGIN & STEPS to follow

The best place to start is to go to the official study in Canada portal:

www.EduCanada.ca

Find a university or college program:

Search by field of study, language of study, program level or location

Contact the Canadian institution directly to get information on:

- Their specific entry requirements for an international student and the application deadlines **Remember:** each education institution in Canada sets its own entry requirements
- The program costs and information on living expenses:
This estimate includes tuition/program fees, books/supplies, groceries, local public transport and miscellaneous costs, accommodation options

Graduation, so what next?

You could...

Return to your home country with a globally recognized degree or diploma and valuable international experience

Continue studies or research in Canada

Apply for a post study work permit and stay in Canada to gain additional work experience
